Re: ResQNet.com, Inc. v. Lansa, Inc.
Civil Action No. 01-CV-3578 (RWS)

Dear Judge Sweet:

We represent plaintiff Resqnet.com, Inc. in the above matter. Presently pending is Resqnet's motion to enter a damages award, scheduled to be heard on May 26, 2010.

We write to request permission to file a reply brief of up to 14 pages, four pages longer than the limit listed in Your Honor's individual rules of practice. We note that our opening brief was merely nine pages, well below the 25 page limit, and hence, if this request is granted, Resqnet's total number of submitted pages in both briefs will still be far less than the maximum permitted, and even less than that permitted by only the opening brief.

Resqnet believes any further deletions from its Reply will significantly detract from the substantive treatment of Lansa's arguments.

We have consulted with counsel for defendant Lansa, who indicates that Lansa does not oppose this request. If the request is acceptable to the Court, we request Your Honor "So Order" this letter.

Respectfully submitted,
